The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**STREET LIGHTING DISTRICTS
ANNEXATIONS AND LEVYING OF ASSESSMENTS FOR
CITY ANNEXATION NOS. 1985-44, 1991-01, 1991-02,
1991-06, 1991-07, AND 1991-08
COUNTY LIGHTING MAINTENANCE DISTRICT 1616 AND
COUNTY LIGHTING DISTRICT LLA-1, PALMDALE ZONE
SUPERVISORIAL DISTRICT 5
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the enclosed Engineer's Report, either as filed or as modified, regarding annexation of territories to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, and levy of assessments within the annexed territories for street lighting purposes.

2. Adopt the enclosed Resolution of Intention to Annex Territories to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, and to Order the Levying of Assessments within Annexed Territories for Fiscal Year 2004-05.

3. Set a date for a public hearing regarding the proposed annexation and levying of annual assessments within the annexed territories for street lighting purposes, with a base-rate assessment of \$70 for a single-family residence within County Lighting District LLA-1, Palmdale Zone, for Fiscal Year 2004-05.
4. Instruct the Executive Officer of your Board to cause notice of the public hearing by mail, at least 45 days prior to the date of hearing. The mailed notice will include assessment ballots.
5. Instruct the Executive Officer of your Board to cause notice of the public hearing to be posted in three conspicuous places within the territories to be annexed and to publish notice of the public hearing once a week for two consecutive weeks in a newspaper of general circulation. This posting and publication must be completed at least ten days prior to the date of hearing, pursuant to Section 5838 of the California Streets and Highways Code.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. If needed, order changes in any of the matters provided in the Engineer's Report, including changes in the improvements, the proposed diagrams, or the proposed assessments as described in the Engineer's Report.
2. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or opposition to the proposed assessment.
3. Determine whether a majority protest against the proposed annexation or assessment exists.
4. If there is no majority protest against the proposed annexation or assessment, adopt the enclosed Resolution Ordering Annexation to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, either as proposed or as modified by your Board. The adoption of the Resolution Ordering Annexation will constitute the levying of assessments in Fiscal Year 2004-05.

5. Find that the annexations and assessments are for operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the installation, operation, and maintenance of street lights necessary to maintain service within the proposed annexation areas.
6. Instruct the Executive Officer of your Board to file a copy of the Resolution Ordering Annexation with the County Assessor, Ownership Services Section; and Auditor-Controller, Tax Section.
7. If the proposed annexation and levying of assessments have been rejected, and a majority protest exists, make a finding terminating the annexation and levy of assessments proceedings for that city annexation project where a majority protest exists.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The recommended actions are for your Board to approve the Engineer's Report, adopt the Resolution of Intention to Annex Territories to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, and to Order the Levying of Assessments within Annexed Territories for Fiscal Year 2004-05. The City of Palmdale has previously granted consent and jurisdiction to the County of Los Angeles for the annexation of these six territories to the County-administered street lighting districts serving the City of Palmdale.

On June 24, 2003, your Board held a public hearing to consider the annexation of territories and levying of assessments for ten city annexation areas to the County-administered Street Lighting Maintenance and Assessment Districts serving the City of Palmdale. After the public hearing, in accordance with Proposition 218 procedures, the Executive Officer tallied the ballots received and determined that a majority protest existed within nine of the city annexation areas. In accordance with Board policy of November 16, 1999, regarding discontinuing street lighting service in majority protest areas, street lights within these six territories were subsequently turned off. Due to numerous requests received from property owners within City Annexation Nos. 1985-44, 1991-01, 1991-02, 1991-06, 1991-07, and 1991-08 for a reballot, we recommend proceeding with the annexation process and rebalotting the property owners within the six territories for the levying of annual assessments for the purpose of funding the operation and maintenance of the street lights.

The Honorable Board of Supervisors
October 16, 2003

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility since it will result in the collection of ad valorem property tax and assessment revenue from benefited property owners for the purpose of funding the operational costs of the street lights. It also satisfies the Goal of Service Excellence since maintaining street lighting services provides for the convenience and safety of the motoring public, as well as for the safety and security of people and property, which improves the quality of life in the County and the City of Palmdale.

FISCAL IMPACT/FINANCING

Upon annexation of the areas that are approved by the property owners, and prior to the commencement of the assessment on July 1, 2004, the Palmdale Lighting Districts have sufficient funds included in the Fiscal Year 2003-04 Palmdale Zone budget to finance the operation and maintenance costs of the affected street lights. In Fiscal Year 2004-05 and beyond, assessment revenues, augmented by a small portion of ad valorem property taxes collected from benefited properties within the annexed territories, will fully fund the operational costs of the street lights.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These proceedings are governed by the California Streets and Highways Code Improvement Act of 1911 (Division 7) and Landscaping and Lighting Act of 1972 (Division 15, Part 2), Article XIID of the California Constitution, and Section 53753 of the Government Code.

The 1911 Act provides for the collection of ad valorem property taxes for the purpose of providing funding for the operation and maintenance of street lighting facilities within the districts. Subsequent to your Board's approval of the Resolution Ordering Annexation of Territories and Levying of Assessments, we will proceed with the processing of a resolution for the exchange of property tax revenues between County Lighting Maintenance District 1616 and the other affected taxing agencies currently receiving a share of the property taxes in the annexed areas.

The 1972 Act provides for the levy of assessments against benefited properties for the purpose of providing supplemental funding for the operation and maintenance of street lighting facilities within the lighting districts. With the passage of Proposition 218 (State Constitution, Articles XIIC and XIID) in November 1996, it became necessary to ballot the property owners prior to imposing or increasing a street lighting assessment for the

The Honorable Board of Supervisors

operation and maintenance costs of street lights. As a result, the legal provisions of the Landscaping and Lighting Act and Proposition 218 now govern the process for establishing street lighting assessments.

Pursuant to the requirements of Proposition 218 and Section 53743 of the Government Code, an assessment ballot and public hearing notice will be mailed to property owners within each proposed annexation area no less than 45 days prior to the date of public hearing. The enclosed Resolution of Intention to Annex Territories must be adopted to set a date for the public hearing.

The assessment ballots, weighted according to the amount of the assessment paid by each property, will be tabulated at the conclusion of the public hearing. Only these ballots that are returned will be counted to establish whether a majority protest exists under the provisions of Proposition 218. The assessment cannot be levied if the weighted majority of ballots submitted are opposed to the assessment, in which case the assessment shall be abandoned and the annexation proceedings terminated. Failure to annex the territory and levy assessments will result in the inability to operate and maintain the street lights as part of a County-administered street lighting district. If a majority protest exists to any of the proposed annexations, then the applicable annexation project should be referred back to Public Works.

Your Board may delay your determination regarding the levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the assessment at the close of the public hearing.

Following the Board's adoption of the Resolution Ordering Annexation and Levying of Assessments, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et seq. of the Government Code. Copies of diagrams showing the boundaries of each proposed annexation territories are included with the Resolution of Intention to Annex Territories.

The enclosed Resolutions have been approved as to form by County Counsel.

**COUNTY OF LOS ANGELES
DEPARTMENT OF PUBLIC WORKS
ENGINEER'S REPORT
ANNEXATION OF TERRITORIES TO
COUNTY LIGHTING MAINTENANCE DISTRICT 1616 AND
COUNTY LIGHTING DISTRICT LLA-1, PALMDALE ZONE,
AND LEVY OF ASSESSMENTS**

On January 14, 2003, the Board of Supervisors of the County of Los Angeles adopted a Resolution Initiating Proceedings for annexation of territories, including areas designated as Annexation Nos. 1985-44, 1991-01, 1991-02, 1991-06, 1991-07, and 1991-08, to County Lighting District LLA-1 pursuant to the Landscaping and Lighting Act of 1972 of the State of California, for the purposes of providing for the cost of operation and maintenance of 418 street lights located within the proposed annexed territories. In addition, Public Works was authorized to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the Streets and Highways Code. This report is prepared in response to that directive.

With the passage of Proposition 218 (the Right to Vote on Taxes Act) by the California voters in November 1996, the levy of an assessment is now subject to certain provisions under Article XIIIID of the California Constitution. This report conforms to the applicable provisions of Proposition 218.

The County lighting maintenance districts are established maintenance districts that were fully funded from ad valorem property taxes prior to the passage of State Constitutional Amendment XIII-A, which limited the maximum amount of ad valorem tax on real property. With the passage of this amendment, property taxes collected from benefited parcels within the maintenance districts were insufficient to pay the cost of street lighting. To provide supplemental funding, an assessment district, County Lighting District LLA-1, was formed under the Landscaping and Lighting Act of 1972. County Lighting District LLA-1 has a separate zone for each County lighting maintenance district serving the unincorporated County territory and each city with an established County lighting maintenance district. The County Lighting District LLA-1 zones have essentially the same boundaries as the existing County lighting maintenance districts. County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, are lighting districts serving the City of Palmdale.

The Landscaping and Lighting Act provides for the assessment of street lighting costs against the benefited properties within the lighting districts in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use, based on land-use data compiled by the County Assessor, was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include Government-owned or leased parcels. The report showing the approved method and

the assessment units to be assessed on the various types of lots and parcels is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The diagrams of the areas proposed for annexation to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, designated as Annexation Nos. 1985-44, 1991-01, 1991-02, 1991-06, 1991-07, 1991-08, are shown in the attached Exhibits 1 through 6. The diagrams also include the quantity and type of street lights and their general location within the proposed annexation boundaries.

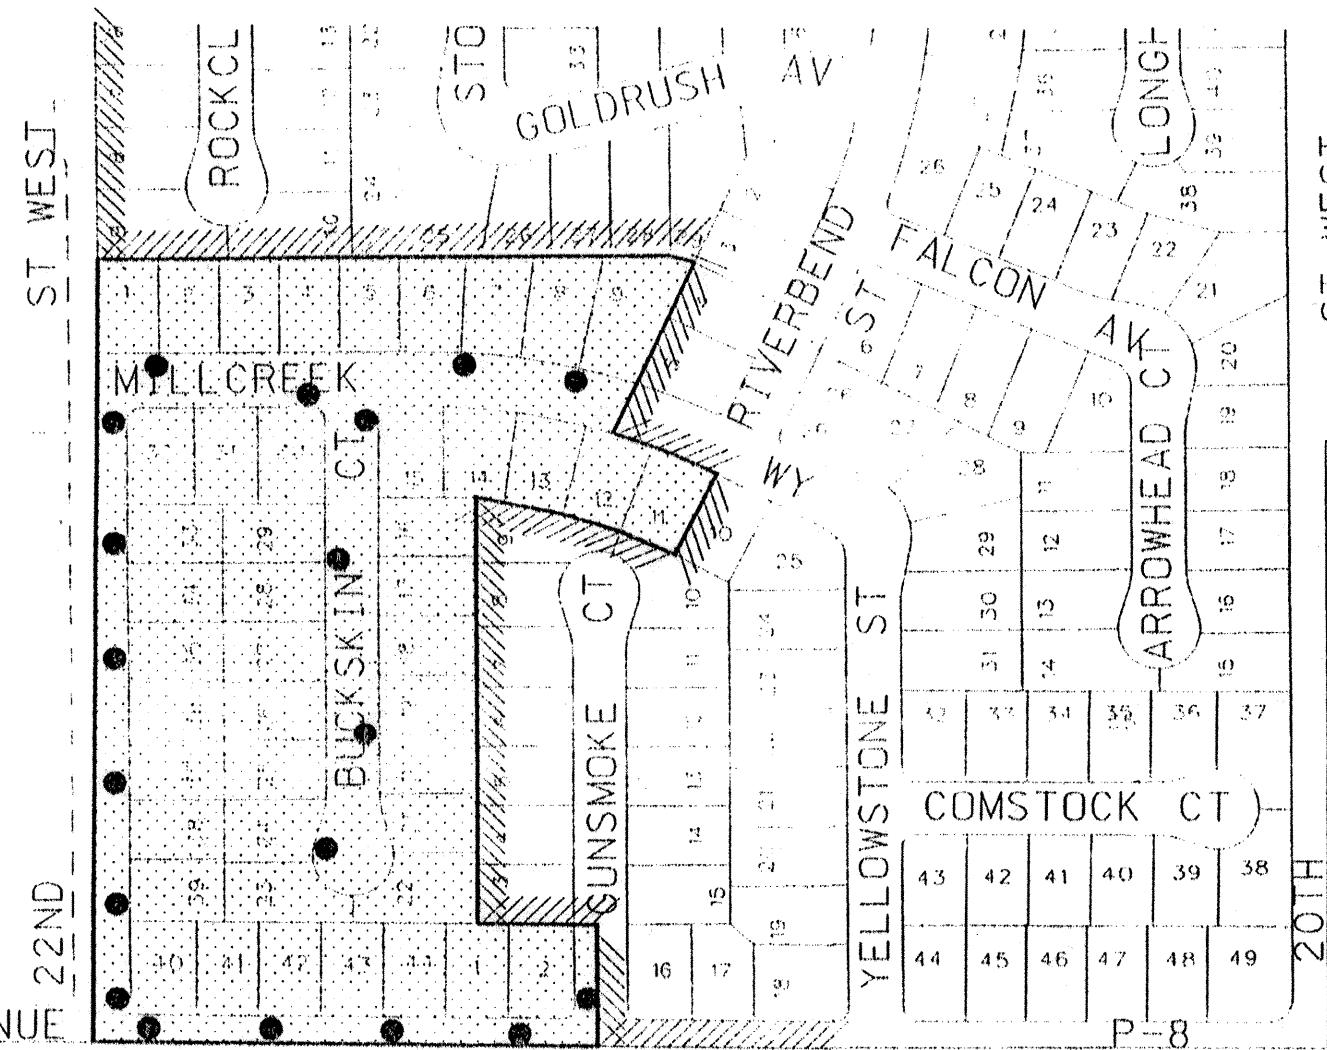

All of the affected parcels of real property located within the territories proposed for annexation are shown in Appendix "A." These parcels are more particularly described in maps prepared in accordance with Section 327 of the Revenue and Taxation Code, which are on file in the office of the County Assessor and are made a part hereof by reference. The proposed levy of assessments on the affected parcels of real property located within the annexed territories will be based on a \$70 base-rate assessment for a single family home. The base-rate assessment is established by the Board-approved Fiscal Year 2003-04 Annual Engineer's Report for the Palmdale Zone of County Lighting District LLA-1, on file in the office of the Board of Supervisors and Public Works, and is made a part hereof by reference.

The estimated annual operating costs for the street lights located within the territories proposed for annexation to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, are shown in Appendix B.

Assessment revenues and a small portion of ad valorem property taxes, collected from benefited properties within the areas proposed for annexation into the lighting districts, will finance the operational costs of the street lights within the annexed territories. The assessments will be applied to the property tax bills of benefited property owners within the annexed territories.

CITY OF PALMDALE

WHEREAS, on January 14, 2003, the Board of Supervisors adopted a Resolution Initiating Proceedings for the Annexation of Territories to County Lighting District LLA-1, Palmdale Zone; and

WHEREAS, the Board of Supervisors has approved the Engineer's Report for said territories, which contains a description of the improvements, estimated operating costs, diagrams of the territories to be annexed, and recommended assessments as required by law; and

WHEREAS, the City of Palmdale has granted the County of Los Angeles consent and jurisdiction in all matters relating to the annexation of territories to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California:

SECTION 1. That the public interest and convenience require, and that it is the intention of the Board of Supervisors to order, that the benefited territories, hereinafter described, all of which territories lie in the County of Los Angeles, be annexed to County Lighting Maintenance Districts 1616 pursuant to Section 5837 et seq. of the Streets and Highways Code of the State of California.

SECTION 2. That the public interest and convenience require, and that it is the intention of the Board of Supervisors to order, that said benefited territories be annexed to County Lighting District LLA-1, Palmdale Zone, pursuant to Section 22605 et seq. of the Streets and Highways Code of the State of California.

SECTION 3. That the public interest and convenience require, and that it is the intention of the Board of Supervisors to order, that the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for proper operation and maintenance of existing street lighting systems within the annexed territories shall be assessed in Fiscal Year 2004-05 upon each lot or parcel of land lying within the annexed territories in proportion to the

estimated benefits received from the proposed street lighting improvements, which should be assessed to pay the expenses of the operation and maintenance of said improvements. The Engineer's Report on file with the Executive Officer of the Board of Supervisors contains a full and detailed description of the improvements, the boundaries of the territories proposed to be annexed, the estimated costs of operation and maintenance, a diagram of the territories to be annexed, and the proposed assessments on each lot or parcel of land therein.

SECTION 4. That the boundary of the territories proposed to be so annexed consists of the areas shown on the following Exhibits 1 through 6.

SECTION 5. That the proposed assessment is subject to majority approval of the property owners. A ballot and public hearing notice will be sent to all property owners within the areas proposed for annexation at least 45 days in advance of the date of public hearing. The ballots will be weighted by the amount of assessment to be paid by each property owner. The territories will not be annexed and the proposed assessment will be abandoned if the weighted majority of ballots submitted are opposed to the assessment.

SECTION 6. That the amounts to be assessed for the expense of such operation and maintenance shall be levied and collected in the same manner and by the same officers as taxes for County purposes are levied and collected.

SECTION 7. That the proceedings for the levying of assessments shall be taken under and in accordance with the Landscaping and Lighting Act of 1972 (Division 15, Part 2, of the Streets and Highways Code), and in accordance with Section 53743 of the Government Code and Article XIID of the California Constitution.

SECTION 8. That a public hearing will be held by the Board of Supervisors to consider the annexation of territories to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, and the levying of assessments within the territories proposed to be annexed. Said hearing will be held on Tuesday, December 16, 2003, at 9:30 a.m., in the Hearing Room of the Board of Supervisors, Room 381B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

SECTION 9. That the Executive Officer of the Board of Supervisors shall give notice of the public hearing, in the form and manner specified in Sections 5838 of the Streets and Highways Code, to be published for two weeks in the _____, a newspaper published and circulated in the County of Los Angeles, which is hereby designated for that purpose, such publication to be completed at least ten days prior to the date of said hearing.

SECTION 10. That the Executive Officer of the Board of Supervisors shall cause notice of said hearing to be posted in the form and manner specified by Section 5838 of the Streets and Highways Code, at least ten days prior to date of hearing.

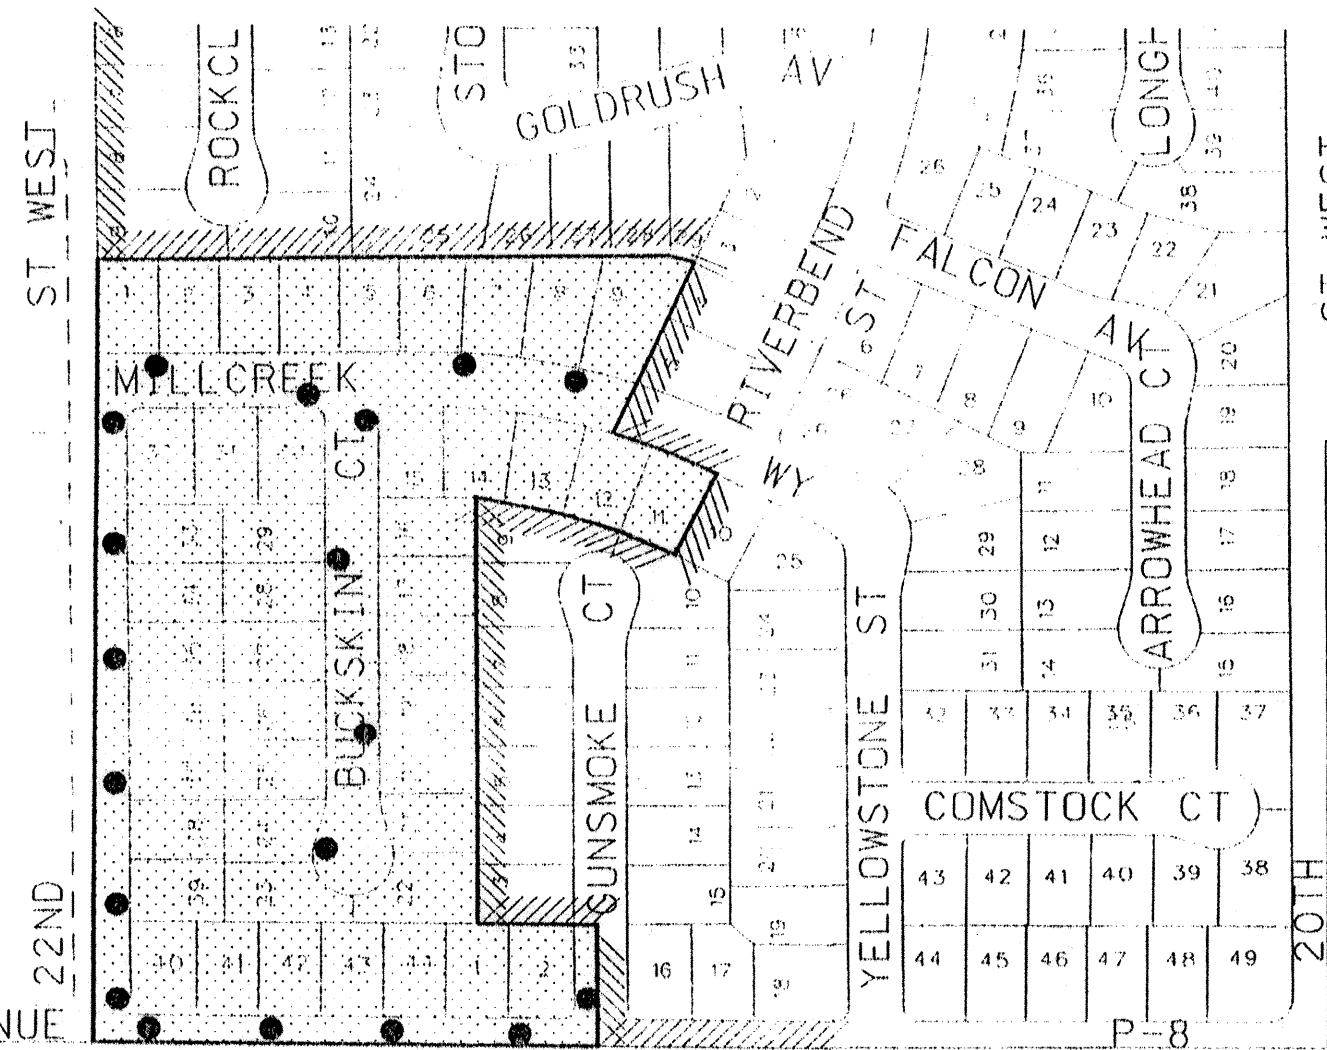

SECTION 11. That written public comments regarding the proposed assessments may be submitted for consideration at said hearing. They should be addressed as follows and contain the names, addresses, and parcel number of the property owners, as shown on their last property tax bill:

County of Los Angeles
Department of Public Works
Traffic and Lighting Division
Attention Street Lighting Section
P.O. Box 1460
Alhambra, CA 91806-1460

SECTION 12. That additional information regarding the proposed assessments may be obtained by calling the County of Los Angeles Department of Public Works, Traffic and Lighting Division, Street Lighting Section, at (626) 300-4891.

1991-07, AND 1991-08
CITY OF PALMDALE

WHEREAS, the Board of Supervisors on _____, approved the Engineer's Report showing boundaries and other pertinent data, adopted a Resolution of Intention to annex said territories to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, and to Order the Levying of Assessments within the annexed territories, and fixed a time for hearing protests of interested persons; and

WHEREAS, the Executive Officer of the Board of Supervisors did give notice of the public hearing by publishing said notice for once a week for two consecutive weeks in a newspaper published and circulated in the County of Los Angeles; and

WHEREAS, the Executive Officer of the Board of Supervisors did cause notice of hearing to be posted at least ten days prior to the date set for hearing; and

WHEREAS, the Executive Officer of the Board of Supervisors did cause the notice of the public hearing to be mailed, along with assessment ballots, to all property owners within the territories subject to the proposed annexation at least 45 days prior to the date set for hearing; and

WHEREAS, the Director of Public Works has mailed assessment ballots and notices to property owners of identified parcels within the areas proposed for annexation, pursuant to Article XIIID of the California Constitution, to indicate support or opposition on the matter of the assessments; and

WHEREAS, said Board has heard all testimony and evidence with regard to the annexations and levy of assessments and has tabulated all returned assessment ballots concerning the proposed assessments and has found that no majority protest exists.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles:

SECTION 1. That this Board hereby orders the annexation of territories listed in Attachment A, and whose boundaries are shown on Exhibits 1 through 6, to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone.

SECTION 2. That the Board hereby determines that the territories will be benefited by the annexation to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, and hereby orders the boundary of said Districts be altered to include said benefited territories.

SECTION 3. That the lighting district diagrams and assessments as set forth in the Engineer's Report, or as modified, are hereby approved, confirmed, and adopted by this Board.

SECTION 4. That the adoption of this Resolution constitutes the Levy of Assessments within the annexed territories for fiscal year commencing July 1, 2004, and ending June 30, 2005.

SECTION 5. That the amounts to be assessed for the expense of the operation and maintenance of the improvements as described in said Report and Resolution shall be levied and collected in the same manner and by the same officers as taxes for County purposes are levied and collected and shall be disbursed and expended for operation and maintenance of said improvements, all as described in the Engineer's Report and in the Resolution of Intention.

SECTION 6. That the Executive Officer of the Board is hereby ordered and directed to file a certified copy of the Engineer's Report, which includes lighting district diagrams and assessments, together with a certified copy of this Resolution upon its adoption, with the County Assessor, Ownership Services Section; and Auditor-Controller, Tax Section.

The foregoing Resolution was on the ____ day of _____, 20____, adopted by the Board of Supervisors of the County of Los Angeles and ex-officio of the governing body of all other special assessment and taxing districts, agencies, and authorities for which said Board so acts.

**NOTICE OF PUBLIC HEARING
PROPOSED ANNEXATION OF TERRITORIES TO
COUNTY LIGHTING MAINTENANCE DISTRICT 1616 AND
COUNTY LIGHTING DISTRICT LLA-1, PALMDALE ZONE
CITY ANNEXATION NOS. 1985-44, 1991-01, 1991-02, 1991-06,
1991-07, AND 1991-08
CITY OF PALMDALE**

Notice is hereby given that a public hearing will be held by the Board of Supervisors to consider the annexation of territories known as City Annexation Nos. 1985-44, 1991-01, 1991-02, 1991-06, 1991-07, and 1991-08, located within the City of Palmdale, to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, and for the proposed levy of assessments on lots or parcels located therein, on the following date:

December 16, 2003, at 9:30 a.m. in the Hearing Room of the Board of Supervisors (Room 381B), located at the Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

The boundaries for the annexation of territories to County Lighting Maintenance District 1616 and County Lighting District LLA-1, Palmdale Zone, are shown on the attached Exhibits 1 through 6. The annual street lighting base-rate assessment is proposed to be \$70 for a single-family home. The proposed base-rate assessment is necessary in order to continue street lighting services within the proposed annexation areas.

The levy of an assessment is now subject to property owner approval with the passage of Proposition 218 (approved by the California voters in November 1996), which provides for property owners to determine by ballot whether or not they approve of the proposed assessment for this purpose. As required under Proposition 218, assessment ballots will be mailed to all property owners of lots or parcels within the territories proposed for annexation at least 45 days in advance of the public hearing. All assessment ballots must be received by the County before the conclusion of the December 16, 2003, public hearing. Ballots will be tabulated at the conclusion of the public hearing. The assessment will not be levied and the territory will not be annexed if the weighted majority of the returned ballots submitted are opposed to the increase. The ballots are weighted according to the amount of the street lighting assessment paid by each property owner.

Property owners may file with the Executive Officer of the Board of Supervisors a written protest against the proposed withdrawal and annexation at anytime prior to the conclusion of each respective public hearing. The written protest must identify the

property owner, property address, and parcel identification number, and must state all grounds for objection.

The Engineer's Report for the proposed annexation projects, which describes the proposed annexation boundaries and diagrams, affected parcels of real property, estimated annual operation expenses, and base-rate assessment, is on file and available for public review in the Executive Office of the Board of Supervisors, Room 383, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

If you have any comments about the proposed annexations, you may address them in writing to the County of Los Angeles Department of Public Works, Attention Mr. Joaquin Herrera, Traffic and Lighting Division, P.O. Box 1460, Alhambra, California 91802-1460. In your letter, please include your name, address, and parcel identification number as they appear on your property tax bill.
